

Elmo's Smoke Detector Song Lyrics

Smoke detectors sound this way.

(beep) That's how smoke detectors say, "there could be a fire somewhere around,"
that's what they mean when they make this sound.

(beep) Hear that?

Remember when you hear this sound (beep) it could be there's a fire around.
Ask a grownup, they'll tell you what you're supposed to do.

(beep) There it goes again.

Smoke detectors in your house, keep as quiet as a mouse, unless smoke or fire gets them to shout.
That's what they do so that you'll find out!
I hope you have one in your house.
