

## Elmo's Fire Drill Song Lyrics

Elmo wants to sing about a fire drill.

A fire drill, a fire drill, is what this songs about.

A fire drill will show you the way to get out.

A fire drill, a fire drill, we need to have a plan, so everyone can get out as fast as they can.

If there's a fire you need to know to move real fast, bend low and go.

A fire drill, a fire drill, let's practice once, and then we'll check our plan,  
and practice getting out again.

If there's a fire you need to know to move real fast, bend low and go.

A fire drill, a fire drill, is what this songs about.

A fire drill will show you the way to get out.

A fire drill, yeah, a fire drill, let's practice once, and then we'll check our plan,  
and practice getting out again, getting out again.
